Sempre Strings at Belconnen Arts Centre

Presented by: Music for Everyone, Sempre Strings
Date: Saturday 28 November, 3:30 – 4:30pm

This summer, Belconnen Arts Centre's inspiring foyer will resound with local singing and music, in a series of upcoming afternoon and evening concerts to delight and entertain. The first of these events will feature Canberran favourites **Sempre Strings**, performing a free chamber music concert. Sempre Strings is a Music For Everyone community string ensemble of 10 to 12 players of violin, viola and cello. Members are drawn from all walks of life and play in Sempre Strings to experience the joys of music-making with like-minded people.

Sempre Strings is led by tutor and violinist, Lucy-Carrigy-Ryan. As well as playing regularly at Music For Everyone concerts throughout the year, Sempre Strings has performed at ACT community events and festivals including Floriade.

The program includes: Waltzes from *La Traviata* by Verdi, Australian Folk Songs: *Brisbane Ladies*, *Jim Jones at Botany Bay* and *Kookaburra Sits in the Old Gum Tree*, Movements from *The Brandenburg Concerto* by JS Bach, Movements from *Four Seasons* by Vivaldi, Movements from *The Capriol Suite* by British composer Peter Warlock and popular song *Someone To Watch Over Me*.
