

Curriculum vitae.....Carmel McCrow

Born in Sydney, whilst working as a Graphic artist, attended National Art School, later spending 2 years travelling. Worked as a Graphic Artist in the UK, then Stewardess for British Airways. Returning to Australia, I held positions in the Graphic field, from Art Director to Print Production. In 1990, moved to the Snowy Mountains, which allowed me to paint full time. During those years, I completed a 2-year certificate art course at TAFE, later teaching, also organising and administering exhibitions and galleries. Moving back to Canberra in 2001, attended ANU and completed a BA (Visual) in 2004. Since then, I have held 2 solo exhibitions and participated in numerous group exhibitions.
