

BELCONNEN ARTS CENTRE

DANCE STUDIO HIRE

PROFESSIONAL STUDIO

The Belconnen Arts Centre Dance Studio is available for hire to run dance and movement classes for both Children and Adults. One of the few Dance Studios in North Canberra and with after hours access, this is the perfect venue for Dance and Movement, Yoga, Tai Chi and other wellbeing classes. This space can also be used for performances, film screenings and theatre productions and is a popular choice for artists in our Artist in Residence program.

Uniquely located in the heart of Belconnen and right on the edge of Lake Ginninderra, our venue is easily reached via car, bike or public transport and is fully accessible, all on one level and wheelchair friendly.

Belconnen Arts Centre supports all our creative practice partners with marketing and promotional opportunities throughout the year including a detailed website listing, inclusion in our bi-annual program brochure, social media and other opportunities as they become available.

EXPERIENCE + HARD WORK = **HAPPY CUSTOMERS**

"The Dance Studio is a great space, beautiful sprung floors, mirrors, bright natural light and a fantastic sound system. Everything is set up and ready to go, all in the perfect location. We've been comfortably using the studio since 2009 and we'll continue for years to come. The friendly staff create a warm and friendly environment which is absolutely essential for me and my clientele."

Julie Scheer, Director of Blueberries and Dance Central.
